

THE INTERNATIONAL LOMONOSOV SCHOOL IN BERLIN

The International Lomonosov school in Berlin, state licensed by the Senate of Berlin, runs successfully since 2006.

By teaching the main school subjects in both German and Russian, our school supports a harmonious development of the students' individual talents and stimulates their interests in various fields.

The school ensures a solid foundation for further university study abroad, in Germany, Europe or worldwide. More than 500 schoolchildren, grades 1 to 12, are studying now at the International Lomonosov School in Berlin.
